2020

New York City, USA • May 18th & 19th

## CEOs Reshaping the Foundry Industry

The World Foundry Organization is delighted to be hosting a World Foundry Summit in New York, USA, on the 18th and 19th of May.

This is an invitation only event, focused on the presence of owners and CEOs of foundry businesses both casting producers and suppliers, to meet, network and learn.

The event will see world renowned and highly respected speakers making presentations on key topics of interest to the global castings sector, talking on strategy and policy in areas of energy, management and economics.

An excellent opportunity to be at the foundry strategy event of the year, where CEOs and foundry owners can meet with like minded people and the top executives of the industry stakeholders.
